(Penn/Moman)

(C) - (F) - (G)

(C) At the dark end (G) of the (C) street
That's where we (G) always (C) meet
Hiding in shadows where we (F) don't be (C) long
Living in (F) darkness to (G) hide our (C) wrong
(F) You and (C) me at the (F) dark (G) end of the (C)
street
(F) You and (C) me (F) (G) (C)

I know time is gonna take its toll
We have to pay for the love we stole
It's a sin and we know it's wrong
But our love keeps coming on strong
Tonight we'll meet at the dark end of the street
You and me

They're gonna find us, oh, they'll find us
They're gonna find us, they're gonna find us
Ooooooh, some day
You and me at the dark end of the street
You and me

And when the daylight hour rolls around
And by chance we're both downtown
If we should meet, just walk on by
Oooooooh darling, please don't you cry
Tonight we'll meet at the dark end of the street
You and me
