From out of nowhere, through a caravan  
Around the campfire light  
Came a lovely woman in motion  
With hair as dark as night

Her eyes were like those of a cat in the dark  
And she hypnotized me with love

She was a gypsy woman  
She was a gypsy woman  
She was a gypsy woman  
She was a gypsy woman

She danced around and 'round to a guitar melody  
From the fire, her face was all a glow  
How she enchanted me, how I'd love to hold her near  
And kiss, and forever whisper in her ear

I love you, gypsy woman  
I need you, gypsy woman  
I want you, gypsy woman  
Just gotta have a gypsy woman

All through the caravan  
She was dancing with all the men  
Waiting for the rising sun  
Everyone was having fun

I hate to see the lady go knowing she'll never know  
That I love her, I love her

I love you, gypsy woman  
I need you, gypsy woman  
I want you, gypsy woman  
Just gotta have a gypsy woman  
She was a gypsy woman  
Gypsy woman, gypsy woman

I love you, gypsy woman  
I need you, gypsy woman  
Just gotta have a gypsy woman  
She was a gypsy woman

Can't you get the gypsy woman  
Gypsy woman, gypsy woman
