(Bunn)

I wanna ball like I never did ball before [Before, before,
before]

I wanna ball like I never did ball before [Before, before,
before]

I may never get a break like this in life no more

Well, I wanna ball like I never did ball before [Before,
before, before]

I wanna ball like I never did ball before [Before, before,
before]

I may never get a break like this in life no more

Got money in my pocket

I ain't begging for bread

Cadillac El Dorado

Well, it's gone to my head

I got a short time living and a long greasy time to pay
(play) dead

Ain't doing no favours, ain't asking for none

Honey, I got money, I can pay for my fun

That's the way I want it, that's the way it must be done

[Because]

I wanna ball like I never did ball before [Before, before,
before]

I wanna ball like I never did ball before [Before, before,
before]

I may never get a break like this in life no more

A certain little mama [You ???? for me]

Gonna jump and shout [Oh, yeah]

When the El Dorado rolls up [Ah]

And I'll come walking out [????]

Gonna tell ya pretty baby [Say you like nothing]

You don't know what it's all about

(I've got) No special woman [No special woman]

Want no special friend [No special friend]

Want a good time today [Good time today]

Tomorrow may be down again [May be down again]

Don't dial my number [Oh, Lord]

I'll tell you when [I'll tell you when]

I wanna ball like I never did ball before [Before, before,
before]
Really wanna...never did ball before [Before, before,
before]
I may never get a break like this in life no more
