(Dickey Doo-Marion Smith)

(E) - (A) - (B7)

(E) I read your letter and (A) tears filled my (E) eyes
All of your promises fading, was (B7) nothing but (E)
lies

So I turned your photograph over, (A) face to the (E)
wall

And when I (A) dim the (E) lights in my (A) room (E)
tonight

(B7) Teardrops will (E) fall

(E) Teardrops will fall tonight

(A) Tears I can't (E) hide

Tears that I tried to keep

(B7) Deep down inside

(E) Tears fall, a love that's gone

(A) Beyond re (E) call

And when I (A) dim the (E) lights in my (A) room to (E)
night

(B7) Teardrops will (E) fall

I'm gonna pray tonight, baby

Hoping you will hear

Maybe you'll right the wrong, now

And dry each tear

I'll sit alone tonight hoping you will call

And when I dim the lights in my room tonight

Teardrops will fall
