stars shinning bright above you
night breezes seem to whisper I love you
birds singing in the sycamore tree
dream a little dream of me

say nighty night and kiss me
just hold me tight and tell me you miss me
while I'm alone and blue as can be
dream a little dream of me

stars fading but I linger on dear
still craving your kiss
now I'm longing to linger till dawn dear
just saying this
give me a little kiss

sweet dreams till sunbeams find you
sweet dreams that leave all worries behind you
but in your dreams whatever they be
dream a little dream of me
stars fading but I linger on dear
still craving your kiss
I'm longing to linger to dawn dear just saying this

but in your dreams whatever they be
dream a little dream of me
