"Just A Laugh"

The final days appear
These years coming to an end
The future blurred by tears
Stay and touch me
We will send the letter once or twice
Meet new friends
Go about their lives

CHORUS

We won't forget these times together
Broken hearts and friends forever
Wasted nights and stupid fights
Were never worth the drama
It's just a laugh.

Here we are at last
Calling names and shaking hands
Remembering back in class
We said we couldn't wait for graduation day to come
An unrealistic wish for some.

CHORUS

We won't forget these times together
Broken hearts and friends forever
Wasted nights and stupid fights
Were never worth the drama
It's just a laugh.

Summer's over now
Some will stay and some will go
We stand here wondering how
We were ever supposed to know
The pain that comes with this
The friends are gone
The friends are missed.

CHORUS

We won't forget these times together
Broken hearts and friends forever
Wasted nights and stupid fights
Were never worth the drama

It's just a laugh.

No, we can't forget these times we shared
The preppy clothes
The gelled up hair
The stupid jokes and stressed out folks
Were never worth the drama
It's just a laugh.
