I got a whole lotta kissin'
Uh, baby you been missin'
I gotta love everlastin'
And it's yours for the asking

If you come back home
I'll be right there
I'll have your pipe and slippers
Right by your chair

Oh baby,
If you bring it back
Yeah, bring it back
Oh baby,
If you bring your love back to me, yeah
If you bring your love back to me

Kissin' (that you been a missin')
Huggin' (give you good lovin')
Some good lovin' (Kissin' and a huggin')
A love everlasting darling (yours for the asking)

Bring it back, darling
Bring it back,
Oh baby
When you bring your love back to me, yeah
When you bring your love back to me

You got a hold on me baby
And I don't mean maybe
We had a love that was so fine
But now you're messin up my mind

Come on home
I'll be right there
I'll have your pipe and slippers
Right by your chair

Oh baby,
Bring it back, now
Bring it back

Oh oh,
Won't you bring your love back to me, now
Won't you bring your love back to me, yeah
Cause I'll hug ya darlin, yeah
And a little bit of good lovin' baby
Oh
