Ela e minha menina  
E eu sou o menino dela  
Ela e o meu amor  
E eu sou o amor todinho dela Huh!  
The silver moon is out of sight  
And the golden sun has come  
A beautiful new day is born  
Scented with joy  
cuz I fell asleep and awoke thinking of her  
Pois ela e minha menina  
E eu sou o menino dela  
Ela e o meu amor  
E eu sou o amor todinho dela  
The rose bush has blossomed out  
And I've seen that she's my rose  
For her I'd place my heart before  
Reasons I tell  
everybody in the world that I love her  
Pois ela e minha menina  
E eu sou o menino dela  
Ela e o meu amor  
E eu sou o amor todinho dela  
A Minha Menina
