Somewhere out there beneath the pale moonlight  
Someone's thinking of me and loving me tonight  
Somewhere out there someone's saying a prayer  
That we'll find one another in that dream somewhere  
out there

And even though I know how very far apart we are  
It helps to think we might be wishin' on the same bright  
star  
And when the night wind starts to sing a lonesome  
lullaby  
It helps to think we're sleeping underneath the same  
big sky

Somewhere out there if love can see us through (love  
can see us through)  
Then we'll be together somewhere out there  
Out where dreams come true
