VERSE 1

Oh can, can we peel it off
Over time
Or is it lost forever
Underground, beneath the sound

VERSE 3

Thrown, from my head

CHORUS 3

Sign Æ"-
It's giving us a sign
We need to free the mind
Look back in time
Come find me I'm a kamikaze killer
Reaching out for help
To destroy
The only ones
We hated on

CHORUS 4

Oh say
Come and say
We need to free the mind
Look back in time
Come find me I'm a kamikaze killer
Reaching out for help
To destroy
The only ones
We hated on
