Honey, honey, honey, honey
Honey, honey, honey, honey
Please let me cry, just let me cry

Told you I was aware
I have feelings to share with you
Something's over for good
(Honey, honey, honey, honey)
Love, passion, cheerful mood
(Honey, honey)
The truth

Let's say goodbye
And never back again, let me cry
I wanted you, you wanted to lie
I knew that it would happen this way, yeah...

Honey, honey, honey, honey
Honey, honey, honey, honey
Please let me cry, just let me cry

Told you I was alone
Always waiting for you to come
Learning how to obey
(Honey, honey, honey, honey)
Lost my heart and my face
(Honey, honey)
My soul

Let's say goodbye
And never back again, let me cry
I wanted you, you wanted to lie
I knew that it would happen this way, yeah...

Let's say goodbye
And never back again, let me cry

The fear is gonna cure all my pain
I knew that, I knew that, it happened this way...

Let's say goodbye
