I got my eyes on the prize  
And I'm ready to cash it in  
Which dude wanna be my win  
I'm lookin' for a naughty friend  
They don't mind me partyin'  
And he's so hot, Tamale'n  
Show off no cardigan  
And you can meet me in my bedroom, baby  
As long as you know how to drive a girl crazy  
You'll be Donald, I'll be Daisy  
Gotta put in work can't be lazy!  
And when I feel that heat it's on  
We freakin' all night long  
And when the music come on, you be jumpin' of strong  
inside  
Chorus:  
Boom boom boom  
I want you in my room  
Let's spend the night together  
I wanna be with you  
Boom boom boom  
I want you in my room  
Let's make this last forever  
Just me and you together  
Boom boom  
Boom boom boom  
Boom boom  
Boom boom boom  
Boom boom  
Boom boom boom  
Boom boom  
Boom boom boom  
I get, I get, I get tingles when I see that boy  
So hot he can be my toy  
And we won't get real wild and play all night to the  
early morn'  
All the little things just turn me on  
take me to the crib we can watch some porn  
Or we can lay in the grass and sit and watch the sky,  
cause tonight real love was born  
Late hours, candle light, that's the way you like it, right  
A little bit of sugar, a little bit of spice

That's the shit that keep ya' hype  
Pleasure pain sweet and sass, On and On make it last  
And I don't wanna be a Bonnie and Clyde

AlIGHT

Chorus:

Boom boom boom  
I want you in my room  
Let's spend the night together  
I wanna be with you  
Boom boom boom  
I want you in my room  
Let's make this last forever  
Just me and you together  
Boom boom boom  
I want you in my room  
Let's spend the night together  
I wanna be with you

Boom boom boom  
I want you in my room  
Let's make this last forever  
Just me and you together

Boom boom  
Boom boom boom  
Boom boom  
Boom boom boom  
Boom boom  
Boom boom boom  
Boom boom  
Boom boom boom

Come and squeeze me, come and kiss me  
Come and squeeze me, come and kiss me  
Come and squeeze me, come and kiss me, put your  
hand up on my cheek

Hold me tight, and don't let go, your loving got me  
feelin' weak

Blow my high, and you're so sweet, takin' all my energy  
And I wanna boom boom boom  
And I wanna boom boom boom  
Like a video game PS 3  
Come on over let's plug and play  
Every girl got a freaky side, who gives a fuck what they  
say?

Give it to me baby like ah, ah  
Everybody fuckin' to that rye rye  
Boom boom boom, bitch, blah, blah, blah

Chorus:

Boom boom boom  
I want you in my room  
Let's spend the night together  
I wanna be with you  
Boom boom boom

I want you in my room  
Lets make this last forever  
Just me and you together  
Boom boom boom  
I want you in my room  
Let's spend the night together  
I wanna be with you  
Boom boom boom  
I want you in my room  
Lets make this last forever  
Just me and you together  
Boom boom  
Boom boom boom  
Boom boom  
Boom boom boom  
Boom boom  
Boom boom boom  
Boom boom  
Boom boom boom
