This is it, hey

Don't let me get in my zone
Don't let me get in my zone
Don't let me get in my zone
Don't let me get in my zone, zone.
Don't let me get in my zone
Don't let me get in my zone
Don't let me get in my zone
Don't let me get in my zone

D-D-Don't let me get in my zone
My swag bitches can loan
And I don't even do to get in my own
I see this chick is watching my bone
And let me get in my zone,
My swag bitches can loan
Just can all I even do to get in my dough
When I came on the way from the 410
I I got my shades on so I can see these haters
Tip-tip around the club smackin bitch is with my paper
Hello kitties wake up, got stacks and stacks and stacks
So if you ain't about getting that toe home
Girl you act you act you act
Hello kitties wake up, got stacks on stacks on stacks
And if you ain't about getting that toe home
Girl you act you act you act

I read this... dollar f*ck a holla kiss my duck
And nowadays these niggas ain't real
So I don't give a fuck about love on lust
Everybody wanna leave by the G cold
When ya'll niggas and bitches and...
And ya'll really know the real from the fake,
Real from the fake 'cause you're hangin with you on
your knees.

Don't let me get in my zone x 3
