Not Right Now

Monday Morining Mom Gets me up
The sun is rising (better get up)
The Bus is coming can't be late
(The bus is coming can't be late)
I got up but what I wanted to say was

Not right Now
Not Right Now
Not Right Now

Saturday Dad tells me to feed the chickens
I say okay (to feed the chickens)
But my favorite show was on
I did it any way
But what I wanted to say was

Not Right Now
Not Right Now
Not Roght Now

Sunday My brother asks me to do something
I do it but what I wanted to say was

Not Right Now
Not Right Now
Not Roght Now

Not Right Now
Not Right Now
Not Right Now
