i be playin my cards
and i be shakin my bootay, you know its a trap
i be blowin they mind, i make them niggas collapse
all my ladies if you shake it then you know its a rap
when we be throwin it back, we make 'em throw them
sticks
and i'm the youngest, sexy
real girls fall
fake girls talk
real girls shake
fake girls hate
but Rye Rye
I'm the one that's bringin
imma shake it to the ground and bring it back up
twirl it all around, yeah you know whats up
imma shake it to the ground and bring it back up
and twirl it all around, yeah you know whats up

Shake it to the ground
Shake it Shake it then bring it back

mo-mo-mo move it, move it

Yeah i'm young n sexy boy, yeah you know i'm da one
I'm the hottest chick around
i'm the one that they want
because i'm sexy, i'm fly and i be keepin it real
i'm gangsta, i'm hot and i be really on chills
i got a bangin ass body that the boys can't resist
that's why all around the town i'm known as chocolate
kisses
i don't fall for dem sissy, yeah i'm hot as a rock
everytime i hit the block, i make your faces drop
who could ever know a chick that could spit as i do
i'm conceided, i take the cake from you fools
see your face is all blue yeah you know i'm the true
can't no other girl out here do what i do
well i'm back to reality and speaking my name
i'm a busta chick in the hall of fame
but i be strutin my stuff
gettin along with my doors

i'm not a gangsta girl, but i'm a ghetto superstar

Shake it to the ground (what)
Shake it to the ground ground(what)
Shake it to the ground (what)
Shake it Shake it then bring it back

mo-mo-mo move it, move it

yeah i'm hotter than that, but yeah i'm doin it big
imma be the winner girl for the rest of the year
if you wanna look me up coz you know i'm the bomb
holla at me i be on blackstar dot com
all that studded stuff, that ain't on my level
chill back, that's me, i had to take it to another level
popped one, popped two, i popped you
i got the power of titman and yeah i stopped you
all my haters and imitators and duplicators
holla at me when you diggin the way i made it
coz i'm cool n fine, imma fiesty girl
you can't buy me imma priceless girl
but imma shake it to the ground and bring it back up
twirl it all around, yeah you know whats up
imma shake it to the ground and bring it back up
and twirl it all around, yeah you know whats up

Shake it to the ground (what)
Shake it to the ground ground(what)
Shake it to the ground (what)
Shake it Shake it then bring it back

mo-mo-mo move it, move it
