My pants is on, my pants is on
So where's my shirt, so where's my shirt?
I don't know what you came to do
I came to work, I came to work
All the boys looking, the heat is on
All the boys looking, the heat.
All the boys looking, the heat is on
All the boys looking, the heat.

You're looking fierce, yes honey
I'm paying you dust, I cut my money
All the boys looking, the heat is on
All the boys looking, the heat.
All the boys looking, the heat is on
All the boys looking, the heat.

Sweating makes [?]
Me and my girls on the dance floor
I ruin my favorite outfit
But that's what going out is for.
Shake, twist, drop
Shake, twist pow, pow
Shake, twist, drop
Shake, twist pow, pow
Shake, twist, drop
Shake, twist pow, pow

I shake and twist, I move my hips
You think I'm looking fine, you lick your lips
All the boys looking, the heat is on
All the boys looking, the heat.
All the boys looking, the heat is on
All the boys looking, the heat.

We're doing shows, shrugging our shoulders
We're throwing elbows, swinging them bitches like [?]
All the boys looking, the heat is on
All the boys looking, the heat.
All the boys looking, the heat is on
