Want to control it  
One more try is all it takes  
Similar ending?  
Another friendly face  
Now that i've found you  
...i lost it all again  
Sizing up my desperation  
To call someone a friend  
In the wound of compromise  
What is a word worth  
When trust is lost  
No one's business but my own  
Solitude at any cost  
I crossed the line again  
But now i'm older  
Instead of faithful dreaming  
I grew colder!  
...and justice shall be served...  
What's in the future?  
What lies behind?  
The imperfect solution...  
THIS SEPERATION MINE  
In the wound of compromise  
...in the wound of.....
