Come on skinny love just last the year
To pour a little salt we were never here
My my my - my my my - my my
Staring at the sink of blood and crushed veneer

I tell my love to wreck it all
To cut down all the ropes and let me fall
My my my - my my my - my my
Right in this moment this order's tall

And I told you to be patient and I told you to be fine
And I told you to be balanced and I told you to be kind
And in the morning I'll be with you
But it will be a different kind
And I'll be holding all the tickets
And you'll be owning all the fines

Come on skinny love what happened here
Suckle on the hope in lite brassieres
My my my - my my my - my my
Sullen load is full so slow on the split

And I told you to be patient and I told you to be fine
And I told you to be balanced and I told you to be kind
And now all your love is wasted, well who the hell was I?
And I'm breaking at the bridges
And at the end of all your lines

Who will love you? Who will fight?
Who will fall, far behind?
[x2]

Come on skinny love just last the year
To pour a little salt we were never here
My my my - my my my - my my
Right in this moment this order's tall
