I like your lips like I like my Coca-Cola, yeah
Oh how it pops and fizzes
You like my shirt like I like it when you hold my hand
The way - it fits - has got me feeling lucky

Lookie, who is stumblin', whoo! You got that somethin'
Boy I wanna be where you are, and I'm gunnin' for ya'
Can't even fall for some other man, 'cause brother
man,
You know how to get hip to my heart.

C'mon now!

All the girls in town look you up and look you down, I
know
So... come on an' pick your kitten
Purr, baby, purr, go ahead and say the word - let's go!
I - think im the one you're takin'; got me feeling lucky

Lookie, who is stumblin', whoo! You got that somethin'
Boy I wanna be where you are, and I'm gunnin' for ya'
Can't even fall for some other man, 'cause brother
man,
You know how to get hip to my heart.

Tell me now, who? Who?
Tell me now, who? Who?

You play it coo-ool, you play it so coo-coo-cool
And what am I supposed to do, when you play it so cool
And I got the hots for you?

Lookie, who is stumblin', whoo! You got that somethin'
Boy I wanna be where you are, and I'm gunnin' for ya'
Can't even fall for some other man, 'cause brother
man,
You know how to get hip to my heart.

Lookie, who is stumblin', whoo! You got that somethin'
Boy I wanna be where you are, and I'm gunnin' for ya'
Can't even fall for some other man, 'cause brother

man,
You know how to get hip to my heart.

I said, you know how to get hip to my heart.
I said, you know how to get hip to my heart.
