"Miss You Being Gone"

Wish I would have noticed sooner
All that crazy in your eyes
Do you practice in the mirror
On that temptin' crooked smile
Like that serpent in the garden
You came crawlin' back to me
Twice I ate that poisoned apple
Made me sick of being Eve

I'll admit that I was wrong

You said I miss you
Oh yes I do
Honey I miss you
being gone
I saw that floozy you've been wooing
On your ex-best buddy's arm
And I knew you'd soon be slinkin' back
turning on the charm
Yeah well cupid ain't a bruiser
And I'm tampered throwing darts
Do you think I walk around
With a bullseye on my heart

Well I'll admit that I was wrong

You said I'd miss you
Oh yes I do
Sugar I miss you
being gone

I miss you like...
Drama queens and cat fight
and braces on prom night
I miss you like...
Boy bands and cheap cologne,
our song as chaperones
and probably other thing that I've outgrown

Well you know you've got the mojo,
But it ain't working me no more

and I swear I won't be checking
you out when you walk out the door

I'll admit that I was wrong

You said I miss you
And boy you got issues
Honey I miss you
being gone

Being gone
Being gone
Thank God you're gone
