Ohhhh...

Santa's coming and he's gonna kick your ass  
He's gonna kick your ass  
He's gonna kick your ass  
Santa's coming and he's gonna kick your ass  
'cause you've always been a rotten little brat

Reindeer coming and they're gonna bite your wreath  
They're gonna chew your welcome mat  
Swallow your kitty cat  
Reindeer coming and they're gonna eat your begonias  
'cause santa hasn't fed them in a month

Santa's coming and he's gonna kick your ass  
He's gonna kick your ass  
He's gonna kick your ass  
Santa's coming and he's gonna kick your ass  
'cause he's sick of shoveling snow and reindeer poo

Elves are coming and they're gonna steal your turkey  
Wreck your tv  
Burn down your christmas tree  
Elves are coming and they're gonna trash your home  
'cause they ain't got nothing else to do

Santa's loaded with attitude  
He's loud and drunk and smelly and rude  
His workshop's been closed by an auditor  
And Mrs. Claus ran off with her chiropractor.

Santa's coming and he's gonna kick your ass  
He's gonna kick your ass  
He's gonna kick your ass  
Santa's coming and he's gonna kick your ass  
'cause he's had a really crappy year Ow, my bum  
hurts...
