"Ain't That A Lot Of Love"

I know the desert could hold all the love
That I feel in my heart for you
Just like the ocean that started to roll
Mmy love it could be coming to you
Ain't that a lot of love for one heart to hold
Ain't that a lot of love for one heart to hold

If the cook in the kitchen had a touch as hot as yours
It wouldn't need a fire
I can't think of a word that describes
You better than indescribable
Ain't that a lot of love for one heart to hold
Ain't that a lot of love for one heart to hold

If the bees only knew how sweet you were, darling,
They would shut up their honey comb
If the birds could hear how sweet your voice is
They'd pack up and fly away
Ain't that a lot of love for one heart to hold
Ain't that a lot of love for one heart to hold
