D bm7 em7

I wanna hear pitter patter

G a d

Climb up your ladder now

Bm7 em7 a

It's time for you to dream away,

G bm

For what a big day you've been through.

Gm7/bb-bass f#m d

You've done all the things that you wanted to do.

D/c#-bass g d g

All la glory, i'm second story,

D a g d a

Feel so tall like a prison wall.

I'm lookin' for a star bright

To shine down your light now

And keep the little one safe and warm,

'cause to her it's just a fantasy

And to me it's all a mystery.

All la glory, i'm second story,

Feel so tall like a prison wall.

Em7 a a/g-bass

And before the leaves all turn brown,

F#m bm bm/a-bass

Before they fall to the ground,

G gm d

You will find the harmony,

A

Wait and see.

Listen to the serenade,

Little girl, promenade now.

You've got the sunshine in your hand

And maybe come some sweet day

You'll walk that milky way.

All la glory, i'm second story,

Feel so tall like a prison wall,

A a/g-bass d d/c#-bass bm g/a-bass d

That tall.
