Dedicated to the snakes  
And the ones who disrespect my name  
I've never folded, never caved  
Until they bury me  
6 feet deep  
Until they bury me  
6 feet deep  
Until they bury me

Through rain and mud  
The bottom of the barrel  
Is where I am from  
My mother's only son  
Born a lion  
I fear no one

6 feet deep  
Until they bury me  
6 feet deep  
Until they bury me

I fear no one  
I remain relentless  
I fear no one  
I remain relentless

I've never folded, never caved  
I remain relentless

Until they bury me

I've never folded, never caved  
I remain relentless  
I've never folded, never caved  
I remain relentless

Until they bury me

All the snakes  
They tried and tried  
They tried and tried

Ran their mouth  
They lied and lied

Couldn't believe  
That I came from nothing  
Couldn't believe  
That I became something

I said I came from nothing  
And I became something  
6 feet deep
