Even the sun goes down heroes eventually die
Horoscopes often lie and sometimes "y"
nothin' is for sure nothin' is for certain nothin' lasts
forever
But until they close the curtain
it's him & I Aquemini

[Big Boi]

Now is the time to get on like Spike Lee said
get on the bus go get your work
and keep your beeper chirpin' is a must
Is you on that dust or cornstarch
familiar with that smack man
The music is like that green stuff
provided to you by sack man
Pac man how in the fuck do you think we gon' do that
man?
Ridin' round Old National on 18's without no gat man
I'm strapped man & ready to bust on any nigga like
that man
Me & my nigga we roll together like Batman & Robin
we prayed together through hard times
and swung hard when it was fitting
But now we tappin' the brakes from all them corners
that we be bending in Volkswagens & Bonneville
Chevrolets and Coupe De Villes
If you ain't got no rims nigga don't get no wood grain
steering wheel for real you can go on chill out & still
build
let your paper stack instead of going into overkill
pay ya fuckin beeper bill bitch

[Hook]

[Dre]

Twice upon a time there was a boy who died twice
and lived happily ever after but that's another chapter
live from home of the brave with dirty dollars
& beauty parlors & baby bottles & bowling ball Impalas
& street scholars that's majoring in culinary arts

You know how to work bread cheese & dough
from scratch but see the catch is you can get caught
Know what ya sellin' what ya bought so cut that big talk
Let's walk to the bridge now meet me halfway
now you may see some children dead off in the
pathway
it's them poor babies walkin' slowly to the candy lady
It's lookin' bad need some hope
like the words maybe, if, or probably more than a
hobby
when my turntables get wobbly they don't fall
I'm sorry y'all I often drift I'm talkin' gift
so when it comes you never look the horse inside it's
grill
of course you know I feel like the bearer of bad news
Don't want to be it but it's needed so what have you
Now question is every nigga with dreads for the cause?
Is every nigga with golds for the fall? Naw
So don't get caught in appearance
it's Outkast Aquemini another Black experience Okay

[Hook]

[Big Boi]

The name is Big Boi Daddy Fat Sax
the nigga that like them Cadillacs
I stay down with these streets
'cause these streets is where my folks at
Better know that some say we pro-black boy we
professional
we missed a lot of church so the music is our
confessional
Get off the testicles & the nut sacks
you bust a rhyme we bust back
Get get back for real niggas that's out here tryin' to spit
facts
You hear dat can't come near dat maybe you need to
quit
because Aquemini is Aquarius & Gemini runnin' shit
like this
Yea yea yea yea

[Dre]

My mind warps and bends floats the wind count to ten
meet the twin Andre Ben. welcome to the lion's den
original skin many men comprehend
I extend myself so you go out & tell a friend
Sin all depends on what you believing in
Faith is what you make it that's the hardest shit since
MC Ren
Alien can blend right on in wit' yo' kin

look again 'cause I swear I spot one every now & then
It's happenin' again wish I could tell you when
Andre this is Andre y'all just gon' have to make
amends
