I could take the pitchfork from the devil
Keep a super suit like I'm incredible
From the deep, blue sea to the dark blue sky
I'm the baddest man alive
I'd grab a crocodile by his tail
Hack off the judge, and throw the cops in jail
Make the meanest woman break down and cry
I'm the baddest man alive
I'm the baddest man alive
I take no measure, I take no jive
Sometimes I feel like I can fly
I'm the baddest man alive
I'm the baddest man alive

RZA:

Not bad meaning bad, but bad meaning good
Say my name: Pete Thompson, and you knock on wood,
Teddy bear hoops, I tell rise your hood
Flashing macs on a cop, the way a gangster should
I snatch food from the mouth of a tiger
Take a gasoline path and I walk through fire
Bear hugger grizzly, suck milk from a titty
Take the soldier hat from its head and use it for a
Frisbee
Spit in the crocodile face, have a menage a trois, but
two female apes
then sleep in the bad boy butcher knives
I drank honey straight from the beehive
Bungee jumping off the Empire State butt-naked
Roller-blade across the Golden Gate, butt-naked
With the baddest man alive, and I don't plan to die
When the Grim Reaper come, I look him right in his eye
I bust up in the face of the rich Upper East
Tell a great white shark to go and brush his teeth
I'm the man who stole the golden fleece
And I date rape beauty right in front of the beast
the baddest man alive and I don't plan to die

C'mon,
Somebody

The Black Keys:
I'm the baddest man alive
I take no measure, I take no jive
Sometimes I feel like I can fly
I'm the baddest man alive
I'm the baddest man alive
