Flying high, you know how I feel  
Sun in the sky, you know how I feel  
Breeze drifting by, you know how I feel  
It's a new dawn, it's a new day, it's a new life for

Birth flying high, you know how I feel  
Sun in the sky, you know how I feel  
Breeze drifting by, you know how I feel  
It's a new dawn, it's a new day, it's a new life for me

Who be the last man standin' when I cock back the  
cannon?  
And blast your ass in search for Michael Landon  
Abandon ship, you can't penetrate  
My solar eclipse, you dickhead, you got pussy whipped

Sword of Conan, wind speed of Rodin  
Flow so cold, I freeze MC's to Snowmen  
Turn 'em up to the sun to defrost them  
Proceed with caution, you get your bean baked in  
Boston

Slice of Lemonhead, it's like John Lennon said  
Help, you need somebody and  
If you ever see somebody and  
Fuckin' with the Wu, you gonna be a body and

By me, myself and bobby and  
You superficial nigga, fuck it I'm a superhero  
My pistol will turn you to a super zero  
Make a fingertip griplock of Royce Gracie  
While I'm makin' this cash like Mr. Spaceley

Or Coswell Cogs, I don't fuck with hogs  
Your dialog is stuck, too analog  
Is you guns heavy enough?  
Is your gold chain truck Chevy enough?

To fuck around with starks, rebel and us  
B O B B Y, sha na na  
You superficial nigga, buck it, I'm a superhero  
My super pistol will turn you to a super zero

Lot of niggaz askin' us, some faxin' us  
How I gladiate, take land like maximus  
You listerin', while this winds blisterin'  
I'm in the clouds like my man Calrissian

Lando, bust shots like Marlon Brando  
You gettin' smacked like I'm playin' Black Sambo  
Hambone, hambone, haven't you heard?  
Papa gonna buy you a Mockingbird

If that Mockingbird don't sing  
Papa gonna buy you a diamond ring  
Watch out for the killa bee sting  
BZA Bobby, sha na na

You see that's what we called B boy freestyle  
You stupid muthafucka  
Bobby, Bobby, Bobby  
Sha na na
