Big Boi:

Peep what I say  
Everyday--the sun sets just like clockwork  
Put the glock to work  
And puttin the body to standstlls  
Man it kills me  
Taking that life is like taking a shit  
Hit or miss--niggas are playing God  
Trying to rob and steal  
That's why ya gotta guard ya grill  
Like a barbecue--cause them harming you  
Are just like honeybees swarming you  
Vocally arming you was my responsibility  
It's killing me--thinking that all these niggas  
See they fly shit--thinking they steven segall an  
Balling--falling to the wayside when ya try to call  
I've fallen--when we was little nappy headed niggas in  
the projects  
But now they carjacks, wait on income tax and unsafe  
sex  
They get the tecs to flex--like solo for tha lo-lo  
Smoke same thing no-no--not this time  
Niggas around my way can rhyme  
So fuck that country shit--we done a bunch of shit  
And yes ya heard of this--out of this world like E.T.  
Coming across ya T.V.  
Extraterrestrial--straight from ATL.

(Know what I'm saying--Like that--Yeah)

Chorus:

Out of this world  
Are you alien?  
(repeat 3x)

Out of this world.....

Andre:

Right now I'm smiling  
Taking advantage of this moment  
Cause there might not be another soon  
Holding on to memories like roller coaster handle bars  
tightly cause I'm slightly off my rocker--But to you  
I may appear to be your average joe  
But little do you know  
that even joe got problems that he gots to joust with  
Floating in this game of life  
Despite how out of place you may feel  
In this race oh you just can't quit  
Ain't that a bitch--that being heat  
I'm on the beat like cops  
Only cultivate the stable dirt when I skeet my drops  
No concentrating knocking other niggas out the box  
Why?--Cause in a sense  
See we all be kind of fly  
Just can't be scared to spread your wings  
Head to better things  
Maybe the mockingbird and nightengale  
they want to sing--keeping this thing alive  
To the table's what we bring  
We like hailstorms and blizzards in the middle of the  
spring  
Extraterrestrial

(Out of this world--Things like that--Yo)

Chorus
