[Andre 3000]

Pretty pink, baby blue

Why don't (why don't) you teach me something new

We're all (we're all) just babies in my view

So crawl baby

Crawl baby

Pretty pink, baby blue

Why don't (why don't) you teach me something new

We're all (we're all) just babies in my view

So crawl baby

Crawl baby

Miss lady

You could have been born a little later but I don't care

So what if your head sports a couple of grey hairs

Same here, and actually I think that's funky

(In a Claire Huxtable type way)

Miss lady

It looks to me like you need a little juice in your life

So call me when that big ole house gets lonelyfied

And I'll teleport from here to there

You show me how it's supposed to be done

I'll make sure you have young fun

Pretty pink, baby blue

Why don't (why don't) you teach me something new

We're all (we're all) just babies in my view

So crawl baby

Crawl baby

Pretty pink, baby blue

Why don't (why don't) you teach me something new

We're all (we're all) just babies in my view

So crawl baby

Crawl baby

You're sophisticated

Just me and miss lady

You've got me talkin like a baby

You make me talk baby talk

She's so sophisticated

You make me talk baby talk

Just me and miss lady  
She makes me talk baby talk  
Got me talkin like a baby  
Like ga ga and goo goo  
Oh mamma  
You're so sophisticated  
Make me talk baby talk  
Just me and miss lady  
You're so experienced  
Got me talkin like a baby  
Teach me somethin new  
Teach me somethin new  
You're sophisticated  
Just me and miss lady  
You got me talkin like a baby
