David, David, David  
David, David Banner

And I'm straight off the block and I'm straight off the  
block  
Lon, London, Japan, Lon, London, Japan  
And I'm straight off the block and I'm straight off the  
block  
Lon, London, Japan to the top of the pop

And I'm straight off the block and I'm straight off the  
block  
Lon, London, Japan, Lon, London, Japan  
And I'm straight off the block and I'm straight off the  
block  
Lon, London, Japan to the top of the pop

Yo, yo who got the biggest dick? Who got the phattest  
whip?  
Who got the baddest bitch? Who got the fullest clip?  
Crib in Paris, France, plus in Maryland  
In Baltimore, I bought the cabstand

Up in Burbank, the crib, I smiled at Hillary  
Bless the valley with the hundred dollar chivalry  
Got the UFC Bodog on my catalog  
Mayor Koch Records, they the landlord

It's the Digitech, you ain't get a check  
You better get a deal, better make a bet  
Get ya money right, what an appetite  
I see ya'll cats later, about to catch a flight

And I'm straight off the block and I'm straight off the  
block  
Lon, London, Japan, Lon, London, Japan  
And I'm straight off the block and I'm straight off the  
block  
Lon, London, Japan to the top of the pop

And I'm straight off the block and I'm straight off the  
block

Lon, London, Japan, Lon, London, Japan  
And I'm straight off the block and I'm straight off the  
block  
Lon, London, Japan to the top of the pop

J m'appelÃ©, Bobby Digital  
Comme ta le vous, mademoiselle  
La original, pouf e tranquille  
Ai ont pope ordinal, ladite

Baobabs, Ãatre be on  
Savait, let's get it on  
Plus the yacht, we just docked  
Yo Kinetic, son, yeah, let 'em flop

A box of Belvedere, private stock  
My Karachi jacket, Gucci watch  
Yo, Rugged Monk, scotch on rocks  
Aiyo, Bobby D, what's up with Goldielocks?

And I'm straight off the block and I'm straight off the  
block  
Lon, London, Japan, Lon, London, Japan  
And I'm straight off the block and I'm straight off the  
block  
Lon, London, Japan to the top of the pop

And I'm straight off the block and I'm straight off the  
block  
Lon, London, Japan, Lon, London, Japan  
And I'm straight off the block and I'm straight off the  
block  
Lon, London, Japan to the top of the pop

Yeah, it's ya boy David Banner, south side to the day I  
die  
You know what I'm talkin' about?  
They weren't expectin' us to hook this one up  
You know what I'm talkin' about?

N.Y.C., straight to Mississippi  
You know what I'm talkin' about?  
Get your money pimpin'

It don't matter where you are  
You in London, you in Japan  
You know what I'm talkin' about  
You in Spain, you in Italy

Wherever the hell you are  
Get up on your money pimpin'

You know what I'm talkin' about?  
And this beat is so fresh, watch this
