[Diaz]

D-I-A-Z

And the R-Z-A

yo yo yo yo

I'ma turn my aim up, cause I spit overseas now  
My head's supplece now, got a new rease now  
I've been local, but my rep's gonna increase now  
Prevent that, find ya self in a tight squeeze now  
I really feel, we all need some hip-hop police now  
It's all about C's now, too many MC's now  
Please now listen, I'm takin somebodys place  
Fuck who that be, ya'all cats can't hold it like me  
Though I'm not from no famous, borough or state  
I've spent years in this shit, more than eight

I'm more than great, I cross more borders than weight  
I serve you 24/7, ya'all can order this shit late  
And choose the language too, just go ahead  
You want norwegian or the spanish row instead  
Toma, para los que pueren entender (Spanish)  
Til de som stÃfÃfÃ,Ãr og ler, vi fÃfÃfÃ,Ãr bent dem  
ner (norwegian)  
(=For those who are standin there laughin, we bend  
them down)  
Nei(=no), I can't compare, ya'all shit this hot  
Ya'll can't flow like Diaz, or make peace like RZA

[Chorus][RZA]

Ta ra ratta Ta ra ra ratta  
Yo, yo  
We like to get, get high  
Chase ?????, chop  
Ski, feel the breeze  
Y'all cant fuck with this cat from the northeren sea

[Diaz]

Heard ya'all Mc's talk alot, let's get back to this  
I dont know if ya know this, but ya facts are twist  
Up and coming motherfuckers just act as if  
What they need to learn about is what practice is  
Ya'all should get a teacher, who you lack is Chris  
It be funny to see how you react to this  
I'm like that +Activist+, I run up with bombs  
While screamin 'fuck rap', with C-4 in both palms  
I keep spittin after I blew off both arms  
RZA came through, I'm used to flow over tarms  
Beef that is, I'm tryin to reach these kids  
Go head to head with these labels, beat their bids  
Do whatever it taes, I never shit slide  
Bout to switch on they ass like Jekyll to Hyde  
Nobody takes me for a ride, put it to side  
That's not an option, time for me to go outside  
Hard to knock loose, cool with that much pride  
God's my witness, I dont got too much to hide  
That wasent the truth, Virgin Mary would I cry?  
Peeped it with closed gates and I've would've fried

[Chorus]

We like to get, get high  
Smoke, smoke, lah, lah  
Trees, and feel the breeze  
Y'all cant fuck with this cat from the northeren sea

I might, get my, my big, big G-A-T  
And start the squeeze, 16 shots at you crab MC'z

Nigga, we can get high, high  
Chase ????, chop  
Ski, feel the breeze  
Y'all cant fuck with this cat from the northeren sea

I might get, get my, my big  
And squeeze 16 at you ?????? rappers wanna touch my  
team

Nigga, we smoke, smoke lah, lah  
Can, can get, get high  
Ski, feel the breeze  
Y'all cant fuck with this cat from the northeren sea
