Have you heard the news?

They say a little 14 year old little girl had a baby on the way

Tooo much for her little mind to bare

And that type of news to her mama she cannot spare

Hook

Toilet Tisha, damn we miss ya

Toilet Tisha is the issue

Damn we miss ya, Toilet Tisha

Damn we miss ya

Vamp

Dont go away

Dont you dare go away from me girl I can help you

Dont go away dont you dare leave me

Dont go away, away

Dont go away

Big Boi

Five thousand, one hundred ten days

Is a short period of time a mere fourteen years

On this precious mother earth, you see Tisha had issues

And her decision making skills were still in its early stages

You know what I'm talking about

Therefore she could not properly handle a blessing in which

She thought to be an obstacle in her path to adulthood

Pause, just like a brother with a thousand pauses

Should I shouldnt I I cant I have to, mama will never see me the same

Daddy and Big Mama I know all of them gonna be ashamed of me

Are just a few thoughts racing through her cranium

As she sits on top of the pale, cold porcelain seat in the rear of the house

The unthinkable moments away from becoming reality, sadly with no clue

And no way of expressing her feeling to her mam or
anybody else in her life
Tisha done came to the crossroads and now she got to
choose
Fatality, fatality, fatality, fatality
