Oh, look out kids it's that time of year
When ole Santa's on his way
Don't look now but the top is down
On his candy apple sleigh

Headin' on down the coast
Over surf and sand
The warm wind in his hair
Make no mistake, it's here
Holiday fun, good cheer
It's Christmas time again
In California, wo-oh

The boulevard, lights of red and green
As the snow birds make the scene
Hollywood doesn't miss a beat
It's another childhood dream

Headin' on down the coast
Over surf and sand
The warm wind in your hair
Make no mistake, it's here
Holiday fun, good cheer
It's Christmas time for sure
In California

People say it can't be true
That the spirit lives here, too
But you'll find Christmas everywhere
Under palm trees, sun and moon - ah

Headin' on down the coast
Over surf and sand
The warm wind in your hair
Make no mistake, it's here
Holiday fun, good cheer
It's Christmas time again
In California

Make no mistake, it's here
Holiday fun, good cheer
It's Christmas time again

In California
In California
In California, wo-oh
