It's beginning to look a lot like Christmas
Ev'rywhere you go
Take a look in the five and ten glistening once again
With candy canes and silver lanes aglow

It's beginning to look a lot like Christmas
Toys in ev'ry store
But the prettiest sight to see is the holly that will be
On your own front door

A pair of hopalong boots and a pistol that shoots
Is the wish of Barney and Ben
Dolls that will talk and will go for a walk
Is the hope of Janice and Jen

And Mom and Dad can hardly wait for school to start
again

It's beginning to look a lot like Christmas
Ev'rywhere you go
There's a tree in the Grand Hotel, one in the park as
well
The sturdy kind that doesn't mind the snow

It's beginning to look a lot like Christmas
Soon the bells will start
And the thing that will make them ring is the carol that
you sing
Right within your heart

Mom and Dad can hardly wait for school to start again

It's beginning to look a lot like Christmas
Toys in ev'ry store
But the prettiest sight to see is the holly that will be
On your own front door, on your own front door

It's beginning to look a lot like Christmas
It's beginning
