Jet Boy Blue
You steal and you think that it's right
Like a thief in the night
Ah, oh yeah
I'll tell you it's true
You come around with your stories to tell
I don't hold no int'rest
But I let you go
I know you've fallen under his spell
Don't let him kill you
He'll only fill you with lies
You're a fool and you know it
Done your best not to show it
But it's all over
You're through
Jet Boy Blue
He'll only take you for a ride
Only cost you your pride
Jet Boy Blue

Stop, stop while you're still ahead
You've got a lot to learn
You're still so young
Listen to what your mama said

Try to tell you go to hell
You're just a kid
Don't take no advice, you never think twice
Close the door
Jump in, don't mention what you did

Stop, stop while you're still ahead
You've got a lot to learn
You're still so young
Listen to what your mama said

You're a fool and you know it
Done your best not to show it
But it's all over
You're through
Jet Boy Blue
He'll only take you for a ride

Only cost you your pride
Jet Boy Blue

Stop, stop while you're still ahead
You've got a lot to learn
You're still so young
Listen to what your mama said

Jet Boy Blue
You steal and you think that it's right
Like a thief in the night

Wo, Jet, Jet, Jet, Jet Boy Blue
Jet Boy Blue

Jet Boy Blue
Jet Boy Blue
