Look up, look down
Gotta find me a hole to hide my head in the ground
Look up, look down
Gettin' tired of my woman runnin' around

Everybody says give her a second chance
But that'll be the seventy-second time in advance
Look up, look down
Gotta get to the ground

Look up, look down
Watch the whole wide world spinnin' around
Look up, look down
Baby find my woman runnin' around

Everybody says give her a second chance
But that'll be the seventy-second time in advance
Look up, look down
Gotta get to the ground

Ra da da da da ...

Look up, look down
Gotta find me a hole to hide my head in the ground
Look up, look down
Gettin' tired of my woman runnin' around

Gettin' tired of my woman runnin' around
Gettin' tired of my woman runnin' around
Gettin' so tired of my woman runnin' around
