Railroad smoke sifting through the strong southern sky
I always knew that one day I'd see you die
Said the man at the junction
To the boy in conjunction
With the murder of a man
With the murder of a man

Railroad smoke sifting through the strong southern sky
I always knew that one day I'd see you die
Said the man at the junction
To the boy in conjunction
With the murder of a man
With the murder of a man

Na, na, na, na, na, na, na, na, na ...
With the murder of a man
With the murder of a man
