Every day I sit beside you  
On the bus to Madison Avenue  
Work in the big gray store  
With the revolving doors

You don?t even know my name  
I guess that I?m to blame  
Don?t know the right things to say  
So I pretend away

That I?m Rudolph Valentino  
Pull up in my limousine  
Oh, won?t you come in out of the rain  
Things?ll never be the same

And then just like Greta Garbo  
You stare like there?s no tomorrow  
And you?ll know what I?m thinking of  
Right before your eyes, I fall in love with you

Do, do, do

Today I?m done with games  
(Today I?m done with games)  
Gonna ask you for your name  
Say I?ve been watching you  
I even know what you do

Maybe today, I?ll tell you  
(Maybe today, I?ll tell you)  
I?ve found the nerve to sell you  
On a guy like me  
Who wishes that he could be

Your Rudolph Valentino  
Pull up in my limousine  
Oh, won?t you come in out of the rain  
Things?ll never be the same

And then just like Greta Garbo  
You stare like there?s no tomorrow  
And you?ll know what I?m thinking of

Right before your eyes, I fall in love with you

Do, do, do

Right before your eyes, I fall in love with you

Right before my eyes, you?ll say you love me too

Rudolph Valentino

I pull up in my limousine

Oh, won?t you come in out of the rain

Things?ll never be the same

And then just like Greta Garbo

You stare like there?s no tomorrow

And you?ll know what I?m thinking of, ooh

Do, do, do
