To each his own it's plain to see  
To walk alone you have to be  
It's all for you and all for me  
You'll see

I'm gonna miss you, yes, I will  
No matter who you are, I'll love you still  
For my life is my conscience, the seeds I sow  
I just wanted to let you know

Familiar faces that I've seen  
Turnin' red and turnin' green  
They just got caught with writing on their sleeve  
I guess I'll leave

I'm gonna miss you, yes, I will  
No matter who you are, I'll love you still  
Will you cancel my papers and lock the door  
'Cause I ain't gonna be 'round no more?

Will I make it through the summer  
Breaking ties with the old and new?  
Losing one just gains another  
There is nothing I can do

I'm gonna miss you, yes, I will  
No matter who you are I'll love you still  
For my life is my conscience, the seeds I sow  
And I just wanted to let you know

I'm gonna miss you, yes, I will  
No matter who you are, I'll love you still  
Will you cancel my papers and lock the door  
'Cause I ain't gonna be 'round no more

I'm gonna miss you, yes, I will  
No matter who you are I'll love you still  
For my life is my conscience, the seeds I sow  
And I just wanted to let you know
