Chewin' on a piece of grass walkin' down the road
tell me, how long you gonna stay here Joe?
Some people say this town don't look good in snow
You don't care, I know.

Ventura Highway, in the sunshine
Where the days are longer
The nights are stronger than moonshine
You're gonna go I know

'Cause the free wind is blowin' through your hair
and the day surround your daylight there
Seasons cryin' no despair
Alligator lizards in the air

Wishin' on a fallin' star
Watchin' for the early train
Sorry boy, but I've been hit by purple rain
Aw, come on Joe, you can always change your name
Thanks alot son, just the same

Ventura Highway, in the sunshine
Where the days are longer
The nights are stronger than moonshine!
you're gonna go, I know

'Cause the free wind is blowin' through your hair
and the days surround your daylight there
seasons cryin' no despair
Alligator lizards in the air
in the air
