(Adam Schlesinger)

Well it's a tough job but someone's gotta do it  
Stickin' it out not givin' in to it  
When everybody's givin' up on me and you  
Hell if we're gonna make it baby  
If we're gonna make it baby  
We've still got some work to do

Well it didn't go down quite the way we planned it  
We made mistakes, took some things for granted  
We've come this far we've got to see it through  
Hell if we're gonna make it baby  
If we're gonna make it baby  
We've still got some work to do

And we've got long hours and late nights ahead of us  
now  
But if we try we just might  
Make it all right  
It might all work out somehow

Well it's a tough job we didn't ask for it  
Takin' what's breakin' and tryin' to restore it  
It won't be easy what else is new  
Hell if we're gonna make it baby  
Yeah if we're gonna make it baby  
We've still got some work to do  
We've still got some work to do  
We've still got some work to do
