If I take the time to take a look at my life  
Guess I realize it's been a hell of a ride  
Had to look inside me to find the red, white and blue  
Now I've seen them all so I say this to you

If I can you can go sail on seven seas  
Question your beliefs  
'Cause you don't know what they mean  
If you don't sail your own seven seas

Met a lot of people, wicked and weird  
Truly - deeply - honest 'til they disappeared  
Some of them have told me that my life is a sin  
But you're the one with blinders through thick and thin

If I can you can go sail on seven seas  
Question your beliefs  
'Cause you don't know what they mean

If you don't sail your way you will be far away  
From everything you'd love to see  
Sail away

Sail on seven seas...
