You seem so cold, left on you own  
What can I do  
That fading smile, your tired eyes  
Iâ€™m here for you

I know that green grass can grow on dirt

Hope youâ€™d like to follow me across the sea  
We can find a place to live where you can be free  
I wish your heart would allow you to feel  
If there is no hope, what are we?

There was a time when fear and crime  
Was all I knew  
The scars remain although theyâ€™ll fade  
Theyâ€™re part of you

Itâ€™s time to leave the past behind

Hope youâ€™d like...
