BABY FACE  
Art Mooney

Rosy cheeks and turned up nose and curly hair  
I'm raving bout my baby now  
Pretty little dimples here and dimples there,  
Don't want to live without her  
I love her goodness knows  
I wrote a song about her and here's the way it goes

Baby Face, you've got the cutest little baby face  
There's not another one could take your place  
Baby face  
My poor heart is jumpin you sure have started somethin  
Baby face, I'm up in heaven when I'm in your fond  
embrace  
I didn't need a shove cause I just fell in love  
With your pretty baby face

When you were a baby not so long ago  
You must have been the cutest thing  
I can picture you at ev'ry baby show  
Just winnin ev'ry ribbon with your sweet baby way  
Say, honest I ain't fibbin, you'd win em all today  
Baby Face, you've got the cutest little baby face  
There's not another one could take your place  
Baby face  
My poor heart is jumpin you sure have started somethin  
Baby face, I'm up in heaven when I'm in your fond  
embrace  
I didn't need a shove cause I just fell in love  
With your pretty baby face
