BABY FACE

Art Mooney

Rosy cheeks and turned up nose and curly hair

I'm raving bout my baby now

Pretty little dimples here and dimples there,

Don't want to live without her

I love her goodness knows

I wrote a song about her and here's the way it goes

Baby Face, you've got the cutest little baby face

There's not another one could take your place

Baby face

My poor heart is jumpin you sure have started somethin

Baby face, I'm up in heaven when I'm in your fond  
embrace

I didn't need a shove cause I just fell in love

With your pretty baby face

When you were a baby not so long ago

You must have been the cutest thing

I can picture you at ev'ry baby show

Just winnin ev'ry ribbon with your sweet baby way

Say, honest I ain't fibbin, you'd win em all today

Baby Face, you've got the cutest little baby face

There's not another one could take your place

Baby face

My poor heart is jumpin you sure have started somethin

Baby face, I'm up in heaven when I'm in your fond  
embrace

I didn't need a shove cause I just fell in love

With your pretty baby face
