[Intro: Ol Dirty Bastard]

"When the east is in the house" Jeru the Damaja

(sample) Oh my god! (2X)

Yo East New York in this muthafucka, Blahzay Blah in
this muthafucka

Brooklyn in this muthafucka, Dirt Dog in this
muthafucka, it's on point

Come on baby let me jump, let me see you body
rhythm pump

Come on baby let me see you go, let me see you, like
go, go, go

[Outloud]

Aiyo, my timin' is so precise, gangsta all my life

I don't get get robbed, I control the heist

Cold as ice, still mountin' this whole device

Life's a gamble, so I roll the dice

I tamed up, still I'm up and coming

Auto start, put on my sneaks, truck is running

Bad broads, that's beyond Beyonce

Eatin' on my body like a dinner at entree

What ya'll critics gonna say, don't even risk it

Forget Pillsbury, eat this Blah Blah biscuit

Ya'll watered down the game, man, like bar liquor

It's nothin' for me, I just buy the bar quicker

Oh my God, nigga, I'm in the house, and I'm rowdy

He been doin' this since five thousand on an Audi

Remember "Danger!" Yo, ya'll know Blah

This is grown under water, ya'll ain't even in my sonar

[Chorus: Outloud (Ol' Dirty Bastard sample)]

The east is in the house like (danger)

About to, turn it out like "Oh My God" (danger)

Put the barrel in your mouth like (danger)

I see the dipper through a blouse, it's "Oh My God"
(danger)

Me and Dirty on the floor like (danger)

Me and Dirty pimpin' ho's like "Oh My God"

[Ol' Dirty Bastard]

So then you act like you love my little baby

And you know that I act a little crazy
Come on baby let me jump, let me see your body
rhythm pump
Come on baby let me see you go, let me see you, like
go, go, go
I'm on the streets lingo, spendin' the spingo
Eazy-E lingo, doin' the dango, the vet' don't wear
Kangol
I dare pump my shit, at the club, actin' strange, yo
Smack ya'll niggaz in the face, yo
Got wiggas in the place, yo, block party in this
muthafucka
I'm the only round actin' like sucka, sucka bitch ass
puffer
So don't play this muthafucka, or watch you bird
clucker
So don't let yourself break yourself
With the sip and tumble, that will take yourself
I move with that heat that smoke you in your head, man
The shit war, time to take, man, take man

[Chorus 2/3]

[Outro: Ol Dirty Bastard]

Come on baby let me jump, let me see your body
rhythm pump
Come on baby let me see you go, let me see you, like
go, go, go
