Shiver like a shudder in a blink  
Water dripping in the sink  
is all that you hear  
by yourself in the red room  
Echo of another day  
Should have let the papers stay  
Should have never gone  
by yourself to the red room  
It's still in the air you breathe  
Your strength and your weaknesses  
Losing your ground, with the music coming down  
And the Carousel, goes round  
And the carousel, goes round  
All the better to...  
Pipe organ fades,  
In like a ricochet  
beneath what was said,  
in a roundabout way.  
Coming in so fast,  
Facing the contrast  
From a strangers perspective

right there in the red room.

Passion is fading

The Carousel takes you away
