Arriba . . . Arriba
Missed you by a fraction
Whom you're talking too tonight
I was just a tiny bit too late.
Deep inside I'm feeling
You're awaking from a dream
Something in the past is on your mind.
Telling you the future
That is not my cup of tea -
Everything in life you know is free.
Life is just too precious
To be leff in misery.
I'll take you to the city nights
I'm gonna set you free.
Manos Arriba - Manos Arriba
We celebrate the night and sail away.
We live it up and do it right to you
I dedicate the night. - Manos Arriba
Ole
I'm for you and you're for me
Inspiration that's the key. - Manos Arriba
Ole
Celebrate the moniing
When the sun is on it's way

Time is running out for tricky days.
Celebrate the weekends
and the crazy things we say

Love is such an easy game to play.
Deep inside I'm feeling
You're awaking from a dream
I gave my best to make you see my way.
Life is just too precious
To be leff in misery

So if you like the action
I'm gonna set you free.
Manos Arriba - Manos Arriba . .
Arriba . . . Arriba Arriba
Manos Arriba - Manos Arriba
