So step up if you wanna get hurt
What a way to go out, out like a sucka
So step up if you wanna get hurt
So watch what the f*ck you say and what you do

And jock the fame you know we are not the same

And kill this motherf*cker even if we rip first

It's that hardcore hip hop taking you to the top

Now you must die
Die...

[Verse 2]

These other fools try but that sh*t is all a bore to me
Sick and twisted drunk and vicious
B*tches call the cops cause I look suspicious
The mission's basic breaking through the pavement
Steppin' up to me you get an inverted facelift
I'll make you hate it like suicidal images
The last thing that remains on your brain is The
