Try to look To my mind
Tell me what Can you see

Am I deaf Am I blind
Sing your last Song for me

Church bell Shatter my heart
Heart remember Your face
Help me My savior god
My soul Really misplaced

Have you ever Felt this pain
Have you ever Cry without tears
Have you ever Seen the rain
Rain of sorrow And rain of fears

Killing stars Flamed my dream
Hopeless wish Are lost
Your punished me I scream
We are priest I am ghost

So much time In the ground
Wait my body For my
But I mast Be a cloud
Help me To disappear

Give me One more time
Give me last Chance to live
You are hear My cries
Perished my believe.
